

ISAAC NELSON

PROFILE

Highly motivated Computer Science graduate with a strong foundation in software development, systems analysis, and security. Skilled in building and optimizing applications, as well as computer assembly, with a proven ability to improve efficiency at ByteSpeed, LLC. Always interested in learning and keeping up with the latest technology. Passionate about mentoring and leadership, with experience coaching a high school level little league baseball team, sharpening my communication and teamwork skills. Eager to apply my technical expertise and problem-solving abilities to contribute to dynamic projects and development teams.

OTHER

Baseball Head Coach – 14U, 16U
Rental property maint/mgmt assistant
2022 Eagle Scout

EDUCATION

B.S. COMPUTER SCIENCE

University of Minnesota – Duluth, MN

Fall 2022 – Summer 2025

Dean's List: Five semesters

Coursework: Advanced Security, Software Analysis and Design, and Parallel Programming

Projects:

- **Lake Superior Streams and Lakes (C++):** Built an app that analyzes and visualizes statistical insights of Lake Superior's watershed as part of a development team
- **Graph App (Java):** Used IntelliJ to develop an app to visualize depth first traversal, breadth first traversal, and Dijkstra's Algorithm graph patterns.
- **Journal App (Dart, Flutter):** Created a cross-platform journaling app using Dart and Flutter with Firebase backend integration for data storage.

EXPERIENCE

ByteSpeed, LLC - Computer Assembler

Summer 2023

- Assembled over 100 custom personal computers, gaming systems, and servers per day
- Significantly improved process and workflow efficiency
- Managed inventory and itemized component quantities for upcoming builds ensuring seamless production flow.
- Collaborated with a team of engineers to troubleshoot hardware issues enhancing communication and problem-solving skills

SKILLS

C/C++	Python	.NET	SQL
Java	Git	IntelliJ	XML
CUDA	Jupyter	Flutter	Firebase
Dart	CLion	MongoDB	CloudFlare
